Hotel Commonwealth (Boston) – Dec 9th, Mar 3rd, and Jun 2nd meetings

New England Ophthalmological Society

Dear Supporters,

On behalf of the Board, Committees, and 700+ members of the New England Ophthalmological Society, I would like to thank you for supporting our Society in the past and invite you to join us again for this upcoming program year. We are excited to be back with new exhibit opportunities and symposium alternatives introduced last year for an enhanced overall experience.

This year, we will start our meetings on September 23 at the Westin Copley Place in Boston. The other programs of this academic year will be held at Hotel Commonwealth on December 9, March 3, and June 2. We will continue to offer boxed lunches in all our programs for all meeting attendees and exhibit reps, and a social hour at the end of each meeting to significantly increase your facetime with our members.

Your participation and support help us accomplish our mission to improve the quality of care provided by our members and have a positive impact in the community at large. Our goal is to make NEOS the most valuable and user-friendly ophthalmology meeting for you and our members.

Sincerely,

Michael Bradbury, MD
