The New England Ophthalmological Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

New England Ophthalmological Society
860 Winter Street, Waltham, MA 02451
www.neos-eyes.org | neos-eyes@mms.org | T:781-434-7656
Program Objectives: The content and format of this educational activity has been specifically designed to fill the practice gaps in the audience’s current potential scope of professional activities by:

1. Reviewing and discussing advances in diagnosis and treatment of eyelid and orbital diseases.
2. Discussing latest innovations in medical and surgical management of systemic diseases involving eyelids and orbit.
3. Highlighting entities requiring multidisciplinary approach for optimal outcomes.

7:15 am Registration / Exhibits / Continental Breakfast
7:30 NEOS Grand Rounds (MEE)
(This Grand Rounds session is sponsored by Dr. John Dagianis)
8:30 Introduction of Session................................................................. Yoash Enzer, MD
8:35 Mohs: A Review of my Last Year's periocular
Skin Cancers, Diagnostic and Surgical pearls, and
Other considerations .................................................................Daniel LeFebvre, MD
8:45 A Review of Neuromuscular Causes of Blepharoptosis,
and New Advances in Treatment.................................................. Anthony Amato, MD
8:55 Invasive Fungal Rhino-orbital Sinusitis: Our Evolving
Approach to Diagnosis and Treatment ........................................ M. Reza Vagefi, MD
9:05 Introduction of the Guest of Honor............................................. Yoash Enzer, MD
9:10 Thyroid Eye Disease – Transformative Advances
in Diagnosis and Treatment ............................................................. Alon Kahana, MD, PhD
9:30 Rejuvenation of the Lower Eyelids: Blepharoplasty,
Fillers and Combination Treatments............................................. Mitesh Kapadia, MD
9:40 Managing the Paralyzed Face,
with an Eye Toward the Eye.............................................................. Tessa Hadlock, MD
9:50 Q&A, Panel Discussion...............................................................Moderator: Yoash Enzer, MD
Panelists:
Anthony Amato, MD ................................................................. Mitesh Kapadia, MD
Tessa Hadlock, MD ................................................................. Daniel LeFebvre, MD
Alon Kahana, MD, PhD ............................................................. M. Reza Vagefi, MD
10:00 Refreshments / Exhibits
10:30 Latest Innovations in Oculofacial Plastic Surgery:
Equipment, Techniques, Medications, and Imaging.............. Jaime Schaefer, MD
10:40  What is an Eyelid Crease and What is a Fold?  
TPS, BFS, MRD, PF and Other Considerations .................. Robert Jeffrey Hofmann, MD

10:50  Ocular Surface Reconstruction:  
What is the Role of Corneal Neurotization? .......................... Alon Kahana, MD

11:10  Where Eyelid Surgery Meets Anterior Segment  
Surgery: What you need to know in 2024 .......................... Victoria Starks, MD

11:20  The Economics of an Oculofacial  
Plastic Surgery Practice Today ...................................... John Mandeville, MD

11:30  Best Practices for the Evaluation and  
Management of Eyelid Margin Disease ............................. Edward Wladis, MD

11:40  Q&A, Panel Discussion  ........................................... Moderator: Yoash Enzer  
Panelists:  
Robert Jeffrey Hofmann, MD ....................................... Jaime Schaefer, MD  
Alon Kahana, MD, PhD .................................................... Victoria Starks, MD  
John Mandeville, MD ..................................................... Edward Wladis, MD

11:55  NEOS Business Meeting

12:00 pm  Lunch (included for all attendees)

1:00 – 4:00  Afternoon Session

4:00 pm  NEOS Social Hour / Cocktail
